When I was asked if I would do anal today, I was both excited and apprehensive. While I'm not prudish, my little butthole has only had a finger in it, and not for very long. But I'm game. He promised it be slow and well-lubed. I've always been a bit of an adventuress so I'll do it. Just for you!

Hurray for sex. That's all I gotta say after discovering it is such a wonderful feeling. No wonder people want to do it for their entire lives.

Just by looking at me, you wouldn't think I was such a fuck bunny, but I got game! I discovered sex just a little while ago and just loved it. As I get older, it gets nothing but better. It started with some deep kissing with my BFF and then I let my boyfriend feel me up, and the rest is history!

when the men are away

– Jenny V., Austin, Texas

The first time I made it with Francine, I was nineteen years old. We were on an 'overnighter' at her place and her folks were downstairs watching a movie on their DVD. We spent the whole night in her single bed, doing sixty-nine. She licked my throbbing pussy to perfection until I had cum at least four times – and I explored her warm, wet sex for the rest of the night. I should add that her boobies looked almost fake, they were that perfect. As for me, I'm five-five, brunette and been told I have a super-hot body that never quits. Francine was the less energetic in our coupling. I could eat and lick her pussy for the whole night. Her tongue, on the other hand, does get tired, not that her technique has ever tired out. Francine eats my pussy better than any man. And that, unfortunately, includes my husband, Glenn.

Now, Francine and I are both in our late thirties and married. I think we look as sensational as we did back then. Our husbands are both friends and we go on these double vacations together. Last summer, Tate and Glenn decided to go hunting. We were staying in a cottage in the Ozarks and as soon as we saw the guys getting out their gear, we gave each other the 'look' as we called it. Francine immediately knew what was on my mind. Since we hadn't slept together for almost a year, we were hot and horny for each other. Francine locked the cabin door as the men finally left and settled into our lezzie afternoon romance. Within minutes we were over the awkwardness and naked on the bed. Her body is just as I remember, slim, hard and smooth, soft skin.

Her long blonde hair graced her neck and shoulders. We sipped wine and talked about our husband's dicks, their stamina, and their prowess in then sack. And while the news wasn't great, we decided they were both worth loving and keeping, as long as we could see each other. Maybe even one day we would tell them about our long-running affair.

As I lay on my back, rubbing my clitoris feverishly and feeling my swollen pussy lips getting wetter and hungrier for Francine's tongue, she pulled a thick, black dildo out of a little suitcase and started lubricating it with her own pussy juice. Then she shoved it, hard and fast, into my cunt, making me moan and scream with delight. It felt incredible. I was experiencing all the pleasure of having a gigantic, ten-inch prick inside my pussy as well as the obvious benefits of having a gentle, considerate female lover who is sensitive and smart as well as sensual.

Francine made me cum and cum with the dildo. I came so much I collapsed on the bed, waking up

to find Francine tidying up the “remains” of our afternoon sport while our men pounded hysterically on the cabin door. When everything was back in its place, Francine opened the door. Our husbands were kind of puzzled but I really think that they believed us when we informed them that we’d both been napping. I honestly don’t think Glenn or Tate would believe that girls could do such dirty things together. Since that occasion, I have had ample opportunity to return Francine ‘s favor. Now, we love to get it on with our big, black ten incher dildo while we keep this little secret from our husbands.

ahhhh, sweet love

– Lesley B., Lincoln, Nebraska

One Friday night while no one was home, I invited my boyfriend to come spend the night. As I hurriedly rushed around getting ready and trying to make sure everything was right, I paused and thought to myself, “I really love him, and I want tonight to be special.”

Before I knew it, the doorbell rang. It was him. I ran down the stairs calling, “Be right there!” When I got to the door, he stood there smiling. His hair was still wet from the shower he had taken before he left. I jumped up to give him a hug and as he squeezed me so tightly I could smell the clean scent of his body. I wanted so much to be with him.

We went up to my room and fell onto my bed. He lie there on top of me and kissed me so softy and gently. His hand on my face reassured me of his affection and that everything was okay. After a few minutes of making out I rolled over on top of him, still joint at the mouth, and slowly slid my hand down his stomach and into his pants. I could tell he got excited because I felt him stop and smile for a second, and then kissed me with more aggression and enthusiasm. His breathing started to speed up as I firmly grasped his penis. It had been a long time since we’d seen each other and we were both waiting for this night.

I moved down and unfastened the buckle holding his jeans up. Then unbuttoned with my teeth the button of his pants. I heard a faint whisper.. “You don’t have to do this.” I ignored his sweet comment as I lifted his body to pull off his clothing. Now he lie stretched out on my bed. Calm. Relaxed. Anticipating my next move. I held his penis in my hand while lowering my head to meet his. I licked my lips and opened my mouth, then wrapped my lips around his dick, hearing him gasp above me. Moving my tongue from the bottom of his shaft to the tip of his head, I made sure to leave my saliva all over it so I would have something to suck up. I felt it rub up against the back of my throat as a pushed my head down to reach his pelvis.

I could tell he was enjoying every minute of this. The excitement built up and he started to move his hips up and down coordinating with my head. He breathed heavily, short and audible. His body froze as he squirted his cum deep into the back of my throat. I crawled back up towards him

and lie there quietly, relieved and proud. I loved making him happy in any way possible. He grabbed me and pulled me onto him and as I lay there on top of him I could feel his strong, steady heart beat and his chest moving up and down. He was warm and exhausted. I loved him this way. He smiled and squeezed me hard. We lie there talking for a while then I picked my head up to kiss him. His soft lips made me tingle and the taste of him gave me chills. We sat up and I put my arms over my head while he gently lifted my shirt off of me.

Then I did the same to him. I undid my pants and he pulled them off. Both of us naked, I lay down on the bed positioning myself to place my legs outside his hips. He eased down and I took his cock in my hands and moved it up and down the outside of my pussy's slit, rubbing it there for a second or two at the clit, stroking it with the tip, before placing his dick into my slippery opening.

Within a few seconds, it was all in and he started moving it in and out of me, driving my sexual energy even higher. He wriggled his hand between us enough to stimulate my clit with his fingers. I started feeling really good with that additional stimulation, because soon I was moaning more and going faster, bouncing on his hard cock like there was no tomorrow. I told him that he shouldn't go too fast or I would explode again.

I moaned as he thrust into me harder and deeper. Faster and faster he pushed and pulled his way in and out of me while I clenched and pulled on his hair roughly, forcing him to keep going and to speed up the pace. Then... the explosion. He burst inside me and I felt his hot cum enter my body.

At the same time, I was coming to a climax. Together we reached an orgasm and melted into each other. It was the best feeling I had ever felt. We were sweaty with exhaustion and out of breath, our hearts beating simultaneously. He stopped and rested on top of me. His warm embrace was comforting and soothing. At this moment, we were perfectly content. We lie there, happy with ourselves and loving each other more now than ever.

Just as he began to passionately kiss me, I started to cry. This was the happiest moment of my life. I was so in love with him and he felt the same way about me. So honest and pure, so comfortable and relaxed. This was love. These are the moments we live for. Everyone has rough times and life isn't easy, but it's times like this, when you are the happiest you've ever been and all your problems are nonexistent, and the only person in the world you'd ever want to share it with is lying on top of you with closed eyes and a grin on his face, it's times like these that make us want to forget about the hard things and live.

genesis

I'm just a hometown country girls looking for love in the sprawling city of Atlanta. There's so much going on here, I don't know what to do next. College is fun and I'm meeting all sorts of people that just weren't around when I was growing up. But one thing I did learn before coming to college was how to suck and fuck my boyfriend. That was fun and now there are all sorts of boys to play with.

> I don't know how many guys I've slept with. I'm not the kind that keeps score. Not all have been great lovers, but those few that were, WOW!

Blonde-haired cutie pie Leah is ripe for the picking. And she got picked by two well-hung and horny guys that just can't wait to get at her. Fortunately, all it takes for Leah to get hot is the taste of cock in her mouth and the feel of cock in her sweet young pussy and tight ass.

YOUNG & FILLED WITH CUM

MUST BE 18+

I admit it. I'm sex-obsessed and I'm always ready to get down and dirty wherever, whenever, and with whoever is around. Today, I felt a big tingle down there, so I just had to make the pool table my newest love nest. Even though I have half the holes of a pool table, mine are more fun to fill!

kat

What makes my butthole so special? I'm only five foot, so it's small and very. very tight. How can you not want to tap that ass?

coed pleasures

I always dreamed of a threesome and it finally happened.

I first met Lynda shortly after she moved to California from France. She was introduced to me by a mutual lady friend who thought we’d be good for each other. Lynda had the sort of looks one dreams about. Tall, with a nice tight figure, long lean legs, and dark brown hair. Most stunning are her emerald green eyes, coupled with a mouth that seems to have a permanent seductive upturn at the corners. We dated for about eighteen months, enjoying each other’s company as well as bodies, finally parting good friends. Lynda called me the other night, asking if I was interested in a movie on Friday night. Not having made plans, I agreed to pick her up at six-thirty.

When Friday rolled around, I showed up dressed in jeans and a polo shirt. Lynda was similarly dressed, but with a thin cotton blouse. We looked on the internet, trying to decide which movie to see. After a few minutes of surfing through the ads, Lynda said that the hottest movie of the summer was opening at Showcase 16 theater complex. The one that was a best-selling novel last year. The one where a couple go to a Greek island and meet a sexy French girl and they spend the summer together as a threesome. The movie was okay but the scenery and the two main girls were just amazing. Lynda kept whispering how beautiful everything was and when the sex scenes were on the screen, she nuzzled me a little more. I was surprised when they showed the guy’s stuff, but that got Lynda hotter and when both girls went down on him at the beach, she grabbed my semi-hard cock through my jeans and squeezed hard.

The movie ended and we headed back to the car . Lynda told me that movie was very hot and got her excited. This is, of course, just what I wanted to hear, and I closed the door of the car and started to drive us home as directly and quickly as I could. Driving home, I saw Lynda checking out her wet spot. She stuffed her hand down her pants and, then pulled it out and touched my lips with it. I tasted her and she smiled. We were at her place in fifteen minutes. I was all set to grab her and ravage her body as soon as the door closed. But when we entered, we was surprised to find her roommate Camille sitting in the living room watching T.V.

“Hi Cami.” Lynda said offhandedly. Camille said hello to both of us, and asked us what were we’d

been. Lynda told her, and an eyebrow shot up, her blue eyes looking at me. Camille was a beautiful woman in her own right. Her hair was light brown, long and straight, parted in the middle, and it reached past her mid-back. She had a sensuous figure and her face had that same sexy quality that Lynda's had. Camille's eyes were the best bedroom-eyes I'd ever seen, and her mouth promised to be both soft and wickedly sinful.

"I guess the movie was pretty good." Camille said. Lynda sipped her wine, humming "Um-hmmm" and I agreed saying that it had turned me on, too. Camille looked directly at Lynda's crotch. "Hmmm. I'd say you have to change." Lynda blushed and crossed her legs. Cami leaned back, spreading her legs a bit and showing a damp area between her thighs, too. "I was watching a tape my boyfriend left when you drove up. You wanna see a part of it?" What I wanted was to take Lynda and fuck her silly, but Lynda said yes to Camille's suggestion, her eyes on Cami's damp jeans. Lynda's roommate pressed the PLAY button on the remote and the DVD started playing. Lynda gasped and maybe I did too.

On the screen was Camille. There was no mistaking her long hair and face. She was naked, getting slammed from behind by her boyfriend, and some other girl was spread in front of her, Cami's tongue flicking up and down her slit. My eyes were glued to the picture, and I felt Lynda's hand on my arm, holding me tight. Camille was licking the gal furiously. The camera was obviously on a tripod, since the scene didn't change except to zoom in or out by a remote whose wire was visible on the bed, but I digress.

We stripped Camille and she stripped us too. I watched as Lynda started licking Camille's soft moist pussy.

"Camille!" Lynda whispered. "Is that... really you?" I looked at Camille, past Lynda who stared at the television with her green eyes wide and dilated. "I've always wanted to do that to you Lynda, but was afraid to ask you." Lynda shook visibly, a small shudder running down her frame. Without a word, Lynda leaned down and started kissing Camille's pussy through her jeans, making Cami moan and lift her hips up. "Oh yes! Yes baby, please! I want you so bad!" Camille cried out. I sat back and watched for a few moments, seeing the very wet area on Lynda's ass as she kissed Camille's thighs and pussy. I suggested that the floor would be roomier, or perhaps the bedroom.

Lynda turned and looked at me with eyes glazed by lust. "Help me undress her." she said. We stripped Camille and she stripped us too. I watched as Lynda started licking Camille's soft moist pussy. Camille motioned me up to her and I kissed her long and deep, feeling her soft, warm, sensuous lips and her lusty tongue. She reached up and fondled my balls, and pulled my cock to her mouth.

Whatever Lynda was doing made Camille incredibly horny. She sucked my seven and a half inches down her throat easily, and licked me with wild, wanton greed. I pulled on her nipples, squeezing her full breasts, and running my hands down her belly. I could see Lynda's tongue parting Cami's pussy lips and flicking over her clit, her face wet with cream. Camille began bucking her hips, and I moved to her side, just pinching her nipples and letting her enjoy without having to suck my cock. I licked the undersides of her tits, and pressed them together too.

Suddenly Camille pulled her legs back and up

to her chest, and I held them for her. She was panting heavily, and moaning too. Lynda had her mouth all over her roommate's cunt, making slurping and sucking noises. Lynda slipped two fingers inside the girl, and pumped her slowly while she sucked. Lynda found just the right combination and sent Camille over the edge.

Camille's screams were loud and her legs wrapped around Lynda's head, her hips lifted high off the floor, as she shook and thrashed. She came long, loud, and hard. When she went limp, Lynda lifted her cream covered face and smiled. I leaned over and licked her chin and kissed her, tasting Camille's pussy juice and feeling Lynda's slippery tongue invade my mouth. Lynda turned and kissed Camille, laying down on her sweat covered body.

"I've always wanted you." Lynda said softly. "Always from the day we met. I knew you'd be soft, and delicious." They chuckled to each other. Then Lynda knelt on the carpet, and I entered her dripping wet pussy from behind. I slid into her slowly, savoring the feel of her warm and wet tunnel. Camille slipped underneath and started sucking Lynda's large, full nipples. I began to piston in and out, slowly, my hands gripping Lynda's hips and squeezing her flesh softly. Camille worked her way down, laying directly under Lynda, her tongue tracing lines on her chest and stomach.

I continued to slide in and out of her dripping cunt, her juices lathering on my pubic hair. Lynda arched her hips up, taking me as deep as possible and I felt Camille's tongue on my balls. I pulled back and paused, watching Camille flick her tongue around my cock and Lynda's hole, then down her slit.

Lynda began to come almost as soon as she felt Camille's tongue on her clit. Her pussy contracted around me, her body twitching and shaking. Camille kept licking and I started to move slowly again. Lynda groaned and thrust back, then pulled forward and thrust back hard again. I then grabbed her hips and started to slam her hard and fast, my cock sliding easily in and out of her creaming cunt. Lynda began shuddering, spasming hard and making slurping wet noises around my cock. I kept up the pounding, and Camille kept sucking. My balls were leaving wet traces against Camille's forehead and nose, and I felt her hands on my thighs and ass. Camille sucked and licked, tossing her head back and forth as I pumped Lynda's pussy.

We both picked up the pace again, Lynda's shuddering hips raising up so Camille could suck while I fucked her. Her pussy became a grasping, pulsating, slick tunnel that was trying to milk me dry. I felt the cum welling up inside me, and I knew I was about to spurt a big load. I pulled Lynda's hips up and thrust into her hard, slamming her ass and making it ripple. Lynda was bucking back against me. Then I felt a thick surge of cum begin to rush up my cock and I thrust my hips forward, hard, pulling her cunt back to me and holding her tight. I gushed my cum into her again and again. It felt like I'd put a fire-hose up her cunt and turned on the faucet. Lynda's hips were moving, rotating, swaying and she finally pulled away from my cock, letting my jism spurt on her asshole and pussy lips. Her contracting pussy was dribbling sperm and her cream all over Camille's chest. Lynda moved and sat down on Cami's face. My cock rested against her ass, my sperm running down her crack and some dribbling down her gorgeous back. Lynda sat fully on Camille's mouth and she rubbed her steaming hot slit back and forth.

> *I slid into her slowly, savoring the feel of her warm and wet tunnel. Camille slipped underneath and started sucking Lynda's large, full nipples.*

I was surprised when Lynda groaned and shuddered again, then fell off onto her side, curling up into a fetal position. Camille sat up and we looked at each other, then we went to Lynda. She was lying on her side. "I've just had the longest climax of my life. I'm so happy and satisfied!" Camille and I looked at each other and smiled, then we each kissed Lynda, then Camille and I kissed each other. I carried Lynda into her bedroom and the three of us crawled under the covers with her in the middle. Later, when we all had rested, we repeated our earlier coupling, this time with Camille on her knees. Again, we curled up, Camille in the middle, and we fell asleep.

torri

Torri, there's an older man coming into the room. And we think he is taking his clothes off. Are you going to fuck him? You are? Make his day, girl.

Please don't think I have any sort of issues because I'm going to fuck Dave. He's really sweet and a great fuck. His cock is just the right size and he can keep it hard all day long. That's something even some younger dudes can't do. I'm getting wet just thinking that in a few seconds my mouth is going to be sucking that cock.
